

SUMMER SEVENTEENERS
by Zui-shin Marcus Cumberlege

Every nembutsu is heard
and brings us closer
to the Land of Bliss.

Whatever happens
Amida will still be there
Gently taking care.

Saichi exclaims in joy:
“This world is full of nembutsu.
I like it!”

I will empty my head
of thoughts, and let Amida
fill it with dreams.

I believe that what I believe
will come to pass
in the course of time.

Save energy. Switch off
your mind. Stop thinking.
Just use your hands and feet.

Namo Amida Butsu
gives me so much energy
I can't sleep.

T'an-Luan stated
the Pure Land stretches so far
it reaches samsara.

Focus on the good things and good people
